Enjoy Champagne at Almaha Marrakech, Morocco

🕒 February 10, 2016 📍 Restaurants & Bars 🍷 Billecart-Salmon, Taittinger 👤 Glass of Bubbly

This new riad hotel, with 12 individually styled bedrooms, is a tranquil hideaway, located in Marrakech's oldest neighbourhood, the Kasbah, where the former royal stables once stood. As guests enter the vast wooden doors at Almaha Marrakech, they are instantly immersed, surrounded by unique craftsmanship and welcomed with warm Moroccan hospitality.

Small enough to offer guests an individually tailored experience, Almaha Marrakech is an independent luxury riad that provides a range of luxurious facilities. From the underground hammam and spa designed to relax and stimulate the senses, to the roof top terrace, where guests can dine and enjoy the swimming pool, which is open throughout the day.

The Pixel Room is the perfect to enjoy a glass of Champagne, choose from Taittinger Brut or Billecart-Salmon Brut with pastries and The Library is great for breakfast, lunch and dinner.
